**ABSTRACT**

No other institution in India is as much shrouded in the mystery and magic of majestic epithets as the Collector. He has been variously described as Annadata, Maabap, "representative and agent of Government", "general manager of all Government activities", "eyes and ear (and sometimes arm) of Government". It would be worthwhile to estimate the performance of the Civil Service in the light of the above mentioned factors.

## Introduction

Civil service refers to the body of government officials who are employed in civil occupations that are neither political nor judicial. The concept of civil service was prevalent in India from ancient times.

**A Good Introduction : -**

*Importance of the expected results to the general inqu Extremely briefly depict the exploratory configuration and how it achieved the expressed destinations.*

## Materials

Must add materials in your article .

**A Good Materials : -**

*Materials may be accounted for in a different passage or else they may be distinguished alongside your systems. Inc or supplies that are not generally found in research centers.*

## Result

Must add result in your article.

**A Good Result : -**

*Results are as per aims and objective and useful to further research .*

## Conclusion

As mentioned above, a wide range of factors was responsible for a special status being accorded to the Civil Service in the governance of the country. These included the nature of the Service as an abiding national network; its exposure in the broadest spectrum of public administration through live handling of issues at the centre and industries in the states; and its merit and capability.

**A Good Conclusion : -**

*Thus, the research have wider scope for new academician and research scholars.*
