### Introduction

In 21st Century tourism is one of the largest and fast growing industries across the world. As being Tourism activity had been remarked the major source of foreign exchange as well as economic growth in many developing and developed countries.

#### A Good Introduction :-

*Importance of the expected results to the general inquiry. Extremely briefly depict the exploratory configuration and how it achieved the expressed destinations.*

### Materials

Basically this study is based on the secondary data collected from various departments such as Department of Tourism (Karnataka), India Tourism Development Corporation and from the private agencies working in this field.

#### A Good Materials :-

*Materials may be accounted for in a different passage or else they may be distinguished alongside your systems. Inc or supplies that are not generally found in research centers.*

### Result

An attraction is a destination that pulls or entices a person to it. Attractions are the main pull factor of tourist flow. Without these attractions there would be no need for other tourist services.

#### A Good Result :-

*Results are as per aims and objective and useful to further research.*

### Conclusion

In 21st century tourism is one of the largest and fast growing industries across the world. Tourism is an important economic activity for any region. It plays a vital role in national integration and enriches social and cultural lives of people.

#### A Good Conclusion :-

*Thus, the research have wider scope for new academicians and research scholars.*

## HOW TO INCREASE API

### Services for Associate Professor to Professor

- ★ Thesis convert into book. Publish in USA - 50 API Marks
- ★ 15 Articles from your Ph.D thesis - 150 API Marks
- ★ UGC Minor Research Project - 10 API Marks
- ★ UGC Major Research Project - 15 API Marks
- ★ Call for Book Chapter - 25 API Marks
- ★ 5 Seminar Paper presentation - 50 API Marks  
(we organize)

#### REVIEWER COMMENTS

- This was a superb give an account of extremely intensive examination.
- The writing audit was careful, the approach was carefully exhaustive and fused the utilization of sufficient quantities of tests in dust size examination and blast tests.
