Y. I. Tirakanagoudra

ABSTRACT

This paper attempts to study the growth and operational dimensions of small-scale industrial units in Karnataka during the period from 2007-08 to 2014-15, and to identify the district wise share of small-scale industries in Karnataka State during 2013-14. This study is mainly based on the data collected from the reputed/unpublished secondary sources. The findings depict that there has been a phenomenal growth of small-scale industries during the period from 2007-08 to 2014-15.

REVIEW OF THE ARTICLE

Growth And Operational Dimensions Of Small Scale Industries In Karnataka: An Analysis

Y. I. Tirakanagoudra

Problem Statement:

The problem statement was clear and well articulated. The research question (research hypothesis where applicable) was clear, concise, and complete. The title was clear and informative.

Abstract:

The abstract was complete (thorough); essential details were presented. The abstract mainly focus on the fact that, there has been a phenomenal growth of small-scale industries during the period from 2007-08 to 2014-15.

Introduction:

Introduction was justifying. Significance of the area under study mentioned clearly in Introduction. In recent years, Karnataka has emerged as knowledge and technology capital of the country making rapid strides in the new economy as well. Core issues or research variables are identified. **Research objectives are clearly stated.**

Methodology:

The author identified the research methodology separately and in detail. Sampling method was described. The methods for measuring results clearly explained and appropriate.

Reporting of Statistical Analyses:

The assumptions underlying the use of statistics were considered, given the data collected. The statistics were reported correctly and appropriately.

Presentation of Results:

Author's major findings clearly presented. Results were organized in a way that is easy to understand. Results were presented effectively; the results were contextualized. The results are complete. Tables and graphs were nicely used for presentation of the data collected.

Points to Improve:

Must suggest direction for further research. Study related researches with the area under study.

References:

References mentioned were quite insufficient for the study. Add some more references.

Scientific Conduct:

There were no instances of plagiarism. Ideas and materials of others were correctly attributed.

SUMMARY OF ARTICLE

No.		Very High	High	Average	Low	Very Low
1.	Interest of the topic to the readers	✓				
2.	Originally & Novelty of the ideas		✓			
3.	Importance of the proposed ideas		✓			
4.	Timelines	✓				
5.	Sufficient information to support the assertions made & conclusion drawn			✓		
6.	Quality of writing (Organization, Clarity, Accuracy Grammar)		✓			
7.	References & Citation (Up-to-date, Appropriate Sufficient)	✓				

FUTURE RESEARCH SCOPE:

- 1.The Pollution Trend of Industrialization.
- 2.Economics in the University Cooperative.
- 3.Effect of Family Income on a Student's S.A.T. Score.
- 4.The Effect of Number of Book Pages on Monthly Book Purchases.
- 5.The Working Environment vs. Output.
- 6.Alternative Factors to College Success.
