REVIEW OF THE ARTICLE

Problems Of SSI Units With Reference To Sangli MIRAJ KUPWAD MIDC

Janhavi Shridhar Bedekar

Abstract:

The problem statement was clear and it focuses on the variables under study. It was not misleading. The abstract was complete and essential details were presented. The abstract mainly state that, the owners of the small-scale industries face many problems. Firm's viability depends upon four functional areas of management i.e. production, finance, human resource and marketing. A diversity of challenges hampers the growth of SSI in India and after adoption of globalisation policy there may be addition in the problems.

Introduction:

The socio-economic transformation of India cannot be achieved without paying attention to the small scale sector, which is labor intensive with comparatively low capital investment; next to agriculture this sector's contribution to employment is magnificent. Introduction was justifying. Significance of the area under study mentioned clearly in Introduction.

Methodology:

To find out problems of SSI units in Sangli Miraj Kupwad MIDC in post globalization period was the objective of current study. Participants described, including the method of sample selection. Survey method used for collecting the primary data on the basis of appropriately designed sample survey of the SSI units.

Data Analysis:

Data analysis procedures are sufficiently described, and are sufficiently detailed to permit the study to be replicated.

Presentation of Results:

Author's major findings were clearly presented. Results were organized in a way that were easy to understand. Tables and figures are used judiciously and agree with the text.

Conclusions and Discussion:

The major conclusion was, SSI is helped by the government such that they can contribute to the economic growth of the country.

References:

References mentioned were quite insufficient for the study. Add some more references.

Scientific Conduct:

There were no instances of plagiarism. Ideas and materials of others are correctly attributed.

SUMMARY OF ARTICLE

No.		Very High	High	Average	Low	Very Low
1.	Interest of the topic to the readers	✓				
2.	Originally & Novelty of the ideas		✓			
3.	Importance of the proposed ideas		✓			
4.	Timelines	✓				
5.	Sufficient information to support the assertions made & conclusion drawn			✓		
6.	Quality of writing (Organization, Clarity, Accuracy Grammer)		✓			
7.	References & Citation (Up-to-date, Appropriate Sufficient)	✓				

FUTURE RESEARCH SCOPE:

1. Development of Shape Memory Fiber by Melt Spinning Method.
2. Designing and Engineering Lightweight Knitwear Fabrics with Ultraviolet Protection Function.
3. Fast Fabric Hand Measurement Technology.
4. Development of Roll to Roll Magnetron Sputtering System for Large-size Fabric.
5. Innovative Wrinkle-free Finishing for Cotton Woven Fabrics.
