#### ABSTRACT

The major preoccupation of the first generation of development economists in 1950 has been the initiation and acceleration of economic growth on the assumption that growth will automatically lead to a more equitable distribution of income and thus be more conducive to social justice. The experience of the developing countries in the last two decades has shown that in spite of respectable achievements in the rates of growth in Gross National Product, social equity aspects of development record have turned out to be disappointing

## REVIEW OF THE ARTICLE

### **Impact Of New Agricultural Technology In Andhra Pradesh**

Talluri Yesobu

#### **Title:**

The title captures the importance of the study and the attention of the reader. Title focused on the variables under study. Impact Of New Agricultural Technology was the variable under study.

#### **Abstract:**

The aim of this paper was to find out the Impact Of New Agricultural Technology In Andhra Pradesh . The abstract was complete and essential details were presented.

#### **Introduction:**

Introduction was justifying. The experience of the developing countries in the last two decades has shown that in spite of respectable achievements in the rates of growth in Gross National Product, social equity aspects of development record have turned out to be disappointing and it has been tragic that the low end poverty groups have not received more of the benefits of growth.

#### **Methodology:**

Objectives mentioned clearly. Sampling method was described. The methods for measuring results clearly explained and appropriate.

#### **Presentation of Results:**

Author's major findings clearly presented. Main result was there is a significant positive relationship among the five determinants of customer based brand equity.

#### **conclusion:**

Inter-regional and intraregional income in-equalities may be attributed to variation in irrigation, land concentration and imperfect factor markets. Unless these problems are effectively tackled, the benefits of new technology cannot percolate into small farms and backward regions.

#### **References:**

References has mentioned in APA format.

#### **Scientific Conduct:**

There were no instances of plagiarism. Ideas and materials of others were correctly attributed. Overall the study is relevant to the mission of the journal or its audience.

## SUMMARY OF ARTICLE

No.		Very High	High	Average	Low	Very Low
1.	Interest of the topic to the readers	✓				
2.	Originally & Novelty of the ideas		✓			
3.	Importance of the proposed ideas		✓			
4.	Timelines	✓				
5.	Sufficient information to support the assertions made & conclusion drawn			✓		
6.	Quality of writing (Organization, Clarity, Accuracy Grammer)		✓			
7.	References & Citation (Up-to-date, Appropriate Sufficient)	✓				

## FUTURE RESEARCH SCOPE:

1. The Impact of Credit Card Incentive Packages on Consumer Borrowing.
2. Determinants of the Dollars Spent on Car Insurance.
3. Using Macroeconomic Indicators to Estimate the Number of Undocumented Mexicans Entering the United States.
4. Analysis of College Undergraduate Studying Time.
5. Smoking Cessation Policy Evaluation.

## HOW TO INCREASE API

### Services for Associate Professor to Professor

Thesis convert into book. Publish in USA .....	50 API Marks
15 Articles from your Ph.D thesis .....	150 API Marks
UGC Minor Research Project .....	10 API Marks
UGC Major Research Project .....	15 API Marks
Call for Book Chapter .....	25 API Marks
5 Seminar Paper presentation (we organize) .....	50 API Marks
