REVIEW OF THE ARTICLE

Influence Of Television On Health Awareness Among Adults

Prof. K. SudhaRani¹, Mr. G. Umapathi²
and Dr. M. Krishnaveni³

ABSTRACT:

The TITLE matches with the contents of the paper Health influences all activities and shapes the destiny of people. Good health and long life therefore traditionally have been the praised goals of the mankind. The millennium development goals place health at the heart of the development and represent enrichment by governments throughout the world to do more to reduce poverty and to tackle ill health and access to clean water. A fair knowledge about health and nutrition is essential to maintain good health and to save from the diseases.

INTRODUCTION:

Author introduced the topic neatly and clearly One fundamental need of developing countries is to enhance skill over a wide range of critical problems concerning health and nutrition. A fair knowledge about health and nutrition is essential to maintain good health and to save from the diseases. Diseases caused by a faulty diet are common among the people. Poor nutrition results in poor resistance to infections and greater incidence of diseases. People in general, particularly in rural areas and urban slums are not knowledgeable about health matters such as the prevailing health problems in the community, their prevention and control.

METHODOLOGY:

Author has not mentioned any specific methodology. This study was descriptive in nature. Must add methodology in your article. Methodology used to per research topic.

PRESENTATION OF RESULTS:

Must add result in your article.

A Good Result: -

Results are as per aims and objective and useful to further research.

REFERENCES:

Prior publication by the author(s) of substantial portions of the data or study was appropriately acknowledged.

RELEVANCE:

The paper is properly organized and demands appreciation. I think the paper will satisfy the interest of the readers.

FUTURE RESEARCH SCOPE:

1. Career For Faculty (<http://academicprofile.org/Professor/CareerForFaculty.aspx>)
2. Academic Plan (<http://academicprofile.org/Professor/AcademicPlan.aspx>)
3. Regarding Professor Promotion
(<http://academicprofile.org/Professor/regardingPromotion.aspx>)
4. Fellowship for Post Doctoral (<http://academicprofile.org/Professor/FellowshipForPD.aspx>)
5. Online Course on Research (<http://onlineresearch.in/Default.aspx>)

SUMMARY OF ARTICLE

		Very High	High	Average	Low	Very Low
1.	Interest of the topic to the readers		✓			
2.	Originally & Novelty of the ideas			✓		
3.	Importance of the proposed ideas		✓			
4.	Timelines			✓		
5.	Sufficient information to support the assertions made & conclusion drawn	✓				
6.	Quality of writing(Organization, Clarity, Accuracy Grammer)		✓			
7.	References & Citation(Up-to-date, Appropriate Sufficient)	✓				

Future Research Suggestions

This Article can expand further research for MINOR/MAJOR Research Project at UGC
