REVIEW OF THE ARTICLE

Tourism In Sikkim: A Swot Analysis

Dr. Tej Kumar Siwakoti

ABSTRACT:

The problem statement was clear and well articulated India, where the millions of people are still depends on agriculture sector for their primary means of livelihood. Even after completion of eleven five year plan India struggling with several problems like low production of agriculture, food security, etc. World second largest populated country called India lives under the maximum pressure of poverty and unemployment even after spending billions of rupees under various schemes for alleviating poverty and decreasing unemployment.

INTRODUCTION:

The introduction provides a good, generalized background of the topic that quickly gives the reader an appreciation Sikkim the small state of India situated under the circle of North-east region. The North-eastern part or the eight sister states covers 7.05% of total geographical land of country with the total area of 2.62 lakh in square kilometre (Rizal and Asokan 2013). According to Census 2011 the total population of Sikkim is 607688 out of which 286027 are female and 321661 are male.

METHODOLOGY:

This study was conceptual in nature. Author described a variable under study in detail. The whole study is based on secondary data. The data has been collected from different publications on the topic related to tourism in India. To verify the strength, weakness and threats in tourism sector in Sikkim researchers used participation and observation method too.

PRESENTATION OF RESULTS:

Now it is also the duty of state to frame policies so that men and women have right to adequate means of livelihood. While the findings of the study shows that, road connectivity, availability of electricity in remote rural areas, availability of basic needs for the travellers in remote rural areas, attractive character of nature with perfect innovation of mankind on it, supportive nature of the common citizen and police etc are the strength of the Sikkim which increase potentiality of the state in tourism sector.

REFERENCES:

Prior publication by the author(s) of substantial portions of the data or study was appropriately acknowledged.

RELEVANCE:

The study was relevant to the mission of the journal or its audience. The study addresses important problems or issues; the study was worth doing.

FUTURE RESEARCH SCOPE:

1. Economics courses 2014-15 (<http://www.uniguru.co.in/studyabroad/studies/study-university-courses/economics-courses/distance-online/i/eb./all/1/programs.html>)
2. Free Indian Economics Online Practice Tests (<http://www.wiziq.com/tests/indian-economics>)
