REVIEW OF THE ARTICLE

Empowerment Of Women Through Shgs In Block Bishnah, Jammu

Dr. Bharti Prabahkar

ABSTRACT:

The problem statement was clear and well articulated Entrepreneurship in the context of women's development is a way of defining, challenging and overcoming barriers in a woman's life through which she increases her ability to shape her life and environment. It is an active, multidimensional process, which should enable women to realize their full identity and power in all spheres of life. India envisions a future in which Indian women are independent and self-reliant. It is unfortunate that because of centuries of inertia, ignorance and conservatism, the actual and potential role of women in the society has been ignored, preventing them from making their rightful contribution to social progress.

INTRODUCTION:

The introduction provides a good, generalized background of the topic that quickly gives the reader an appreciation Empowerment of women and gender equality recognized globally as a key element to achieve progress in all areas. It is one of the eight millennium goals to which world leaders agreed at the Millennium Summit held at New York in 2000 (Bhagyalakshmi 2004). Empowerment in the context of women's development is a way of defining, challenging and overcoming barriers in a woman's life through which she increases her ability to shape her life and environment.
