ARTICLE REVIEW REPORT

“Determinants Of Foreign Exchange Reserves A Literature Review”

Aman Verma¹ , Satnam Singh² and Tamanna Gothi³

ABSTRACT:

The problem statement was clear and well articulated Many studies have suggested that it is important for a developing economy to accumulate a good amount of reserves to attain growth and maintain stability in an economy. So, this raises the issue of examining what determines the adequate level of foreign exchange reserves. In this study, we build up our literature review based on models developed by researchers to determine the factors and indicators that leads to accumulation of foreign exchange reserves.

INTRODUCTION:

The introduction provides a good, generalized background of the topic that quickly gives the reader an appreciation The expansion in the volume of trade activities and capital inflows in the form of investments and commercial borrowing has led to the emergence of importance of managing the foreign exchange reserves. Globally there has been no unique definition of foreign exchange reserves, however, most countries in the world have adopted the definition suggested by International Monetary Fund (Balance of Payments Manual, and Guidelines on Foreign Exchange Reserve Management, 2001)

METHODOLOGY:

Author has not mentioned any specific methodology. This study was descriptive in nature. Must add methodology in your article. Methodology used to per research topic.

PRESENTATION OF RESULTS:

Result

Must add result in your article.

A Good Result: -

Results are as per aims and objective and useful to further research.

REFERENCES:

Prior publication by the author(s) of substantial portions of the data or study was appropriately acknowledged.

RELEVANCE:

The study was relevant to the mission of the journal or its audience. The study addresses important problems or issues; the study was worth doing.

FUTURE RESEARCH SCOPE:

1. Innovation for Tomorrow's Enterprise – Research Areas: Digital consumers, Healthcare economy, Sustainable tomorrow, Emerging economies, Pervasive computing, Smarter organizations.

2. Certificate Courses in Commerce
