negation conference on the Human Environments the Globalizing has moved in the man stern of Issues that concern the entire Internal commingle today the Globalization issues with constituted the main stale of the dialog between and among working and development country. So We have to monition in the Human Rights according to the article 3 of Rights to life. Above discussion shows the important of Human rights of the global level and tis works on global level ifactively.

4) GLOBALIZATION & HIGHER EDUCATION :-

In Indian the impact of Globalization is seen everywhere the reform in higher Education going in India. The Chances of job's are increased so the quality in higher Education are enhanced the terms quality has different meaning and it's implication's The global changes in higher education are made rapidly. So our higher education also getting changed rapidly. The other nations universities are coming to India.

5) GLOBALIZATION & SOCIAL CHANGE :-

The Social change is being made in India. The socially of India has it's institutions are getting effected by globalization and its is going to be changed. The economic earning chances are increasing so the status of man is increasing by all aspects the social change has it's impact on society and economically. The process of to economic the poverty in India is processed and it is very necessary to adjust the economic growth with the speed of work the Indian growth is also supporting the foreign investment.

6) GLOBALIZATION & EDUCATION :-

The out nation's are coming to India. They are investing in India. The globalization process intended the economic growth in India. Globalization process made available the jobs to the Indians. The Indians are getting the chances of earning well.

7) GLOBALIZATION & SPORTS DEVELOPMENT :-

Data the impact of globalization Baseball, Rigby , Ball fighting FI Racing, These sports are intradoses in to the India Car Racing on International level is arranged in last year in North India at Noyeda. The champions from other countries participated in this race. The championship promoted Indian plyers. Information about various sports in the world available in the India because of Globalization. The sports sector's are opened in India for the youth in India.

8) HUMAN RIGHT OF SPORTSMAN AND GLOBALIZATION :-

In the current time. Globalization the every player of every nation should go to every where for playing games South African have been banned for cricket for many years. Many country rejected to play cricket. The Olympic games are also having the Human Rights of Player's to play freely in the tournament.

CONCLUSION :-

In brief the Globalization gives eronrious Education health physical fitness Policy in our country heads the spear it may know age is very necessary. If the rules in Constrictions a regards the Human Rights of the Globalization world.

Ninny view the reach paper to stands the Globalization sub things the physical fitness health and ministration, in portent roll in condition of India.

The higher education sector is getting changed with the impact of globalization. The institution of Higher Education are getting changed in Quality matter. Society of India is changed with impact of Globalization. The sates of India people is increasing high. Economic Sector is developing fast due to globalization The companies of foreigners are investing in India. More Job's available in India for youth.

Globalization have growth in the position of sportsman with protecting the Human rights of sport man and player's are playing there game in the world.
